

Together During COVID-19

Adult Safety Expectations at TLS

Every adult connected to a TLS student plays a crucial role in the wellness of our community. We are counting on one another to adhere to the following guidelines so that we can all have a healthy fall.

Please review these expectations with all adults who are currently in your child's life outside of school. If you have any questions or cannot follow these guidelines, please connect with Julie Kalmus or Alice Hauschka as soon as possible.

Complete the health check before visiting campus.

Model and practice personal hygiene. Help your child do the same.

Wear a mask & physically distance anytime you are in public spaces.

Do not visit campus unless pre-approved by the school.

Limit your social interactions with other people in accordance with the WA State Safe Start Plan.

Help your child get safely in and out of the car at drop off and pick up. Please be as quick as possible.

Please inform Tammy Crook in Student Services of any travel. Some travel or high risk activity will require quarantine.

COMMUNICATE.
If you have any exposure or illness, please inform the school.

Keep your child home if they have any symptoms of illness.

Please learn more about Health & Wellness at TLS at MyTLS on the school's website.
